

Name: Davood Rasouli

Faculty: Wood and Paper Engineering

Department: Wood Engineering & Technology

Academic Rank: Assistant Professor

Academic Web address: <https://gau.ac.ir//Professor/Rasouli>

Education

Ph.D: The effect of nano zinc oxide and zinc borate on weathering of wood-HDPE composite and improving its stability by photostabilizers, University of Tehran. Iran (2013), , Iran (2015)

M.Sc: The use of cotton stalk for medium density fiberboard manufacturing, University of Tehran. Iran (2008)

B.Sc: Anatomical properties of populus wood, Gorgan University of Agricultural Sciences and Natural Resources, Iran (2006)

Research Interests

- Preservation of wood & lignocellulosic products
- Modification of wood & lignocellulosic products
- Nanotechnology in lignocellulosic products
- Wood-Plastic Composites
